The duration of this warranty is one year from date of delivery. If the buyer discovers within this period a failure of the product to conform to specifications or a defect in material or workmanship, it must properly notify SOR in writing. If SOR is unable to repair the product to conform to the warranty after a reasonable number of attempts, SOR will provide, at its option: (a) a replacement product, or (b) full refund of the purchase price. *These remedies are the purchaser's exclusive remedies for breach of warranty.*

Disclaimer of Warranty.

The foregoing warranties are in lieu of all other warranties, express or implied, including but not limited to the implied warranties of merchantability and fitness for a particular purpose.

Limitation of Remedies.

In no case shall SOR be liable for any special, incidental, or consequential damages based upon breach of warranty, breach of contract, negligence, strict tort or any other legal theory. Such damages include, but are not limited to, loss of profits, loss of savings and revenue, loss of use of the product or any associated equipment, cost of capital, cost of any substitute equipment, facilities or services, down time, the claims of third parties including customers, and in injury to property. This limitation does not apply to damages caused by breach of warranty of title and against infringement under paragraph (4), nor to claims for personal injury. Time Limit for Bringing Suit.

Any action for breach of warranty must be commenced within 15 months after the cause of action has accrued. A cause of action accrues when the breach occurs, regardless of the buyer's lack of knowledge of the breach.

In the event an offer is made by the buyer, SOR's acceptance of buyer's order and formation of a valid and enforceable contract of sale is expressly conditional upon the buyer's acceptance of the terms and conditions set forth herein.

No other Warranties.

Unless modified in a writing signed by both parties, this agreement is understood to be the complete and exclusive agreement between the parties, superseding all prior agreements, oral or written, and all other communications between the parties relating to the subject matter of this agreement. No employee of SOR or any other party is authorized to make any warranty in addition to those made in this agreement.

Allocation of Risks.

This agreement allocates the risks of product failure between SOR and the buyer. This allocation is recognized by both parties and is reflected in the price of the goods. The buyer acknowledges that it has read this agreement, understands it, and is bound by its terms.
